Product Ownership • Pricing & Profitability • Business Intelligence • AI Automation
Process Optimization • Customer Experience • Commercial Planning • Stakeholder Management

PROFESSIONAL EXPERIENCE

Digital Development & Positioning Consultant

Vandelay | Beauty / personal care | Oct 2025 - Jul 2026

- Designed and optimized digital strategies across marketplaces, social media and Tiendanube, focusing on performance, conversion and sustainable growth.
- Analyzed profitability, scalability, market share, competition and commercial performance; built executive reports for decision-making.

Product Owner

Calico S.A. | Integrated logistics and distribution | Sep 2025 - Apr 2026

- Defined product vision, website objectives, roadmap, backlog and acceptance criteria aligned with business needs.
- Coordinated clients, development teams and stakeholders; prioritized, validated deliverables and drove continuous improvement.
- Worked with GitHub releases, functional validation, branches and pull requests alongside the development team.

Web Development Consultant - B2B E-commerce & Marketplace Lead

Frecom SRL | Auto parts and vehicle accessories | Aug 2024 - Aug 2025

- Designed and optimized responsive websites, UX, SEO, payments, inventory and commercial functionality for B2B/B2C channels.
- Implemented operations with Mercado Libre, Contabilium and administrative, commercial and stock integrations.
- Managed digital advertising, social communication, support, maintenance and technology development follow-up.

E-commerce Coordinator

CDIMEX SA | Beauty, personal care and perfumery | Oct 2023 - Jul 2024

- Supervised roadmap, operational tasks, publication quality, performance and commercial targets.
- Managed Mercado Libre campaigns, paid media, seasonal events, brand actions and share/performance reports.

Project Lead - LATAM Electrical Business Unit

Oportutek SA | Schneider Electric - Steck | Technology and electrical products | Team: 20 | Mar 2022 - Oct 2023

- Led a LATAM e-commerce project for electrical and technology verticals, aligned with CEO objectives and regional strategy.
- Managed a multidisciplinary team and coordinated commercial, purchasing, brand, supplier and partner operations.
- Developed commercial strategy, pricing, margins, catalog, Full/Flex/Collect logistics and after-sales experience.
- Implemented technology improvements, integrations and KPI reports for performance, share, sales and profitability.

Senior E-commerce Manager

Bessia SA | Automotive accessories and spare parts | Jan 2018 - Feb 2022

- Managed digital channels, Mercado Libre, online store, social media, listings, positioning and categorization.
- Analyzed competition, pricing, logistics, after-sales, KPIs, inventory, billing and operational processes.

Senior Commercial Executive (KAM)

SAXS SRL | Synthetic materials for footwear | Feb 2016 - Jul 2017

- Managed accounts, prospecting, account expansion, commercial visits, advisory, distribution, purchase orders and collections.
